

Premier Skills English

Five ways you can help the environment Vocabulary

VOCABULARY

In the podcast, Jack and Rich used a lot of vocabulary connected to the environment. **Look at the sentences from the podcast, do you understand the words in bold?**

'Reds Go Green' is all about **waste efficiency** and **recycling**.

Stoke City are backing a campaign to **raise awareness** of **climate change**.

Car sharing helps cuts **carbon emissions** from cars.

Forest Green Rovers use **solar panels** to power electricity at their stadium.

What would happen if everyone was as **environmentally friendly**?

INSTRUCTIONS

Match the words on the left with the descriptions on the right.
